## ABOUT THE PLAN

Take a step inside the Douglas townhome to discover an open concept floor plan with the living room, dining, and kitchen off the entrance. This floor plan includes 2 bedrooms, 2 bathrooms, and a connected 2 car garage. A large pantry and kitchen island create plenty of space for all your kitchen essentials and cooking needs. On the other side of the home features the bedrooms, with the owner's suite having it's separate owner's bath and a spacious walk-in closet. Off the garage you'll discover a mud-room space for organizing your go-to items and a laundry room with a window. You'll love everything about this floor plan, from the quaint front porch to the open concept design.
